TECHNICAL SKILLS

- Languages: Python, C++
- Web: HTML
- ML & Tools: Pandas, NumPy
- Database: MySQL

EDUCATION

B.Tech in CSE Specialization in AIML　　　　**2023 - 2027**
VIT Bhopal University, Bhopal
CGPA : 9.31

12th CBSE Board　　　　**2022**
New Era Public School, Patna with 78%

10th CBSE Board　　　　**2020**
New Era Public School, Patna with 90%

PROJECTS

Hindi Sentiment Analysis Using Hybrid Model
Developed a sentiment analysis model for Hindi text using a lexicon-based and machine learning hybrid approach. Supports English inputs by translating them into Hindi and classifies sentiments as Positive, Negative, or Neutral with polarity scores.

SmartAI Event Planner Chatbot
Built an AI-powered chatbot using NLP and ML to automate event planning tasks like venue suggestions, guest list management, and reminders.

ADDITIONAL INFORMATION

- **Languages:** English, Hindi
- **Certifications:**
  NPTEL Cloud Computing (Jan–Apr 2025)
  Completed a 12-week course conducted by IIT Kharagpur and awarded the Elite Certificate. Gained in-depth knowledge of scalable, secure, and efficient cloud infrastructure.
